Applications

5. Places are only allocated to persons who correctly complete and submit their application in the ESKS system.
6. Submitted applications must be formally correct, i.e., contain all mandatory fields filled out, include at least one identification document number, and have accurate information, particularly the permanent residence address. If the permanent residence address provided is that of the WUT dormitory, the applications will be returned for correction due to formal reasons. Failure to correct the application in this regard will result in its rejection on formal reasons.
7. Types of applications:
 - 7.1. Application for extension of reservation: the condition for the application is to have a reservation currently in progress, resulting from the accommodation.
 - 7.2. Application for a place: the condition is that there is no current accommodation in WUT dormitories.

Participants

8. Only people who have not been punished with disciplinary penalties during their accommodation in the Student Dormitories of the Warsaw University of Technology can take part in the campaign.
9. Only people who at the time of processing the application will be billed to the WUT Dormitories, that is, will not have any arrears in payment, can participate in the campaign.

Persons who do not live in the WUT Dorms at the time of application, but lived previously, must have a “settled” status. Otherwise, their applications will be rejected on formal reasons.
