

Rules for Allocating and Regulations for Using Parking Spaces Managed by the Student Dormitory Team

§ 1

This regulation defines the rules for the use of parking spaces available to residents of the Student Dormitories (hereinafter referred to as "SD") managed by the Student Dormitory Team, referred to as "SDT."

§ 2

1. Anyone entering the Parking Spaces, hereinafter referred to as the "User," is required to strictly adhere to the provisions of this regulation.
2. The Parking Spaces are not guarded, so all risks related to damage or loss of vehicles within the Parking Area, as well as the loss of items left inside vehicles, are borne by the User.
3. The Parking Spaces are available every day of the week, 24 hours a day.
4. The Parking Spaces are designated for passenger cars, mopeds, and motorcycles, hereinafter referred to as "Vehicles."
5. Warsaw University of Technology is not responsible for any damage or theft of Vehicles on the Parking Spaces.

§ 3

1. The Dormitory Council of Residents (hereinafter "CR") of the relevant Student Dormitory (hereinafter "SD") appoints a parking space manager, referred to as the "Manager," who, in cooperation with the Administrator of the relevant SD, manages the Parking Spaces designated for the residents of that SD. Other parking spaces are managed by the administration of SDT.
2. If there is no Manager, the President of the CR performs this role.
3. The User may be:
 1. a resident of the relevant SD,
 2. an employee of SDT,
 3. a tenant, lessee, or contractor of SDT,
 4. a person with the consent of the SD Administrator or the SDT Manager.
4. The User is granted the right to leave a vehicle in a designated parking space if such a space is available.
5. In the case of SD residents, the right to use the parking spaces is granted to one User for one or more Vehicles for a period not exceeding the duration of their accommodation.

6. The rules for issuing duplicate entry cards and remote controls are determined by the SDT Manager in consultation with the CR.
7. Depending on the type of entitlement to use the parking spaces, as mentioned in §3, paragraph 4, appropriate fees are charged according to the current price list at WUT.
8. The Parking Space Manager conducts the action of granting the right to use parking spaces within three weeks from the start of the winter semester, and if necessary, at other times (e.g., summer semester, holiday break).
9. A resident of the SD may resign from the right to use a parking space at any time. The fee is charged for each month of parking usage.
10. The Parking Space Manager and the Administrator of the relevant SD may grant the right to use parking spaces to a person other than the one specified in paragraph 3 for a period not exceeding 7 days in a month. In special cases, this period may be extended with the consent of the Administrator of the relevant SD.
11. In justified cases, the SDT Manager, especially for non-compliance with this Regulation or the Student Dormitory Regulations, in cooperation with the CR of the relevant SD, may revoke the User's right to use the parking spaces before the previously agreed period ends.

§ 4

1. The User is obligated to:
 1. ensuring that the gate closes properly,
 2. immediately informing the Administrator of the relevant SD about any malfunction of the gate, damage to parking infrastructure, or another vehicle,
 3. be especially cautious and drive the Vehicle at a speed not exceeding 10 km/h,
 4. adhere to Road Traffic Laws,
 5. follow the instructions of the Parking Space Manager, the administration of the relevant SD, and the University Security Service regarding the placement of the vehicle in the parking space,
 6. In the case of changing a vehicle or its registration number, inform the relevant Parking Space Manager,
 7. Pay the fee specified in the current price list in the manner specified by the administration of the relevant SD.
2. The User is prohibited from:
 1. leaving the vehicle in a manner that violates the horizontal markings, if such markings exist; in communication routes, fire lanes, or spaces other than designated if such exist,
 2. allowing entry to people who do not have the right to use the parking spaces.
3. In special cases, the right to use the parking spaces may be restricted:
 - a) for a period not exceeding 7 days, by the Administrator of the relevant SD in consultation with the relevant Parking Space Manager,
 - b) by the SDT Manager for a period longer than 7 days.

4. Information about the limitation of the right to use parking spaces, as mentioned in paragraph 3, is communicated to the Users no later than 7 days before the introduction of such a limitation.
5. Communication means displaying relevant information on the entrance gates and sending electronic messages.
6. In case of a breakdown, critical damage to infrastructure, or other unforeseen events preventing the use of parking spaces, paragraphs 3 and 4 do not apply.

§ 5

1. In case of non-compliance with this regulation, the SDT Manager, upon the request of the Parking Space Manager or the Administrator of the SD, issues a written warning.
2. The User may lose the assigned parking space if:
 1. they have not settled their dues with SDT by the last day of the given month,
 2. after two warnings from the SDT Manager, they continue to violate the regulation.
3. The Administrator of the relevant SD, in consultation with the relevant Parking Space Manager and with the consent of the SDT Manager, has the right to remove vehicles from the parking premises that:
 1. have been left by the User without authorization,
 2. violate the provisions of §4, paragraph 2, point 1,
 3. remain in the parking area despite the restriction mentioned in §4, paragraph 3.
4. In cases specified in paragraph 4, the User is obligated to cover the costs associated with removing the vehicle, securing it, and storing it until it is picked up. The User is also obligated to cover the costs of any damage that occurred on the parking premises.
5. In the case of disputes or issues not covered by this regulation, the SDT Manager, in consultation with the relevant CR, will make the final decision.
