Regulations of the accommodation campaign for newly admitted students 2026/2027

General Information

1. The campaign takes place through the <https://esks.pw.edu.pl> system.
2. The application deadlines are specified in the Schedule of the accommodation campaign for newly admitted students 2026/2027.
3. The accommodation campaign are **only** for newly admitted WUT students who are starting their studies in the 2026/2027 academic year.
4. Procedures for allocating places are outlined in the *“Regulations for the Allocation of Accommodation in Student Halls of Residence of the Warsaw University of Technology and Accommodation Fees”*, annexed to the Rector’s Order No. 4/2025.

Applications

5. Only correctly completed applications submitted within the specified deadline via an account linked to the USOS account will be considered in the campaign.
6. As part of the accommodation campaign, each applicant submits a standard application. After submitting it, it is possible to attach special circumstances.
7. Applications requesting consideration of special circumstances arising from a medical condition shall be considered only upon submission of a valid certificate confirming moderate or severe disability, issued by the competent authority.
8. Applications for special circumstances are investigated by the relevant committees, the composition of which is listed in the application for launching the accommodation campaign.
9. The Committee responsible for reviewing applications for consideration of special circumstances reserves the right to request additional documentation and/or clarifications related to the application. Applications for special circumstances that are not supplemented with the requested information or documentation within the specified timeframe shall be rejected and subsequently reviewed under the standard application procedure.
10. These committees may request additional documents or explanations related to the application. Incomplete applications will be rejected and treated as standard applications.
11. Applications must be formally correct, i.e., all mandatory fields must be filled in and accurate data provided, particularly the permanent address. If a dormitory address is provided, the application will be returned for correction due to formal reasons. Failure to correct this will result in 0 points if a ranking list is created.

Applicant

12. Only those who have not been punished with disciplinary penalties during their accommodation at the Warsaw University of Technology Dormitories may take part in the campaign.
13. Only individuals with no outstanding payments may participate in the campaign. Those who are not currently residing in the Student Houses but have lived there in the past must have the "settled" status. Otherwise, their applications will be rejected for formal reasons.

Allocation of Places

14. By submitting an application, the applicant is only requesting a place in the Halls of Residence Unit's resources and a specific room or type of room is not guaranteed. Any changes to allocations will be possible after accommodation has been arranged as part of the "Bank of Places" accommodation campaign.
15. Information about the preferred, e.g., room types, room compositions, dormitories, or specific room numbers are only a guideline for committees assigning specific places.
16. The number of available places is limited. Priority will be given to approved special circumstances applications. Remaining places will be distributed based on standard applications.
17. If the number of applications exceeds available places, a ranking list will be created based on the distance from the registered permanent address to the Main Building of WUT (Plac Politechniki 1, 00-661 Warsaw), calculated in a straight line. One point will be awarded for each full kilometer. Places will be granted starting from the applicant with the highest score.

Referrals and Appeals

18. Referrals issued during the campaign will be valid from September 28 to October 7, 2026
19. Appeals can be filed against a negative decision to allocate a place or if, as a result of the committee's decision, a place was allocated by mistake, (e.g., individuals of different genders assigned together without mutual consent).
20. Appeals must include a substantiation why they should be granted. Appeals without a substantiation will be automatically rejected.
21. Appeals concerning dissatisfaction with the type of room allocated or a specific place not faulted by the committee will be automatically rejected.
22. Room swaps within the same dormitory will be possible after the accommodation process ends (see campaign schedule).
23. Dormitory changes will be possible through the "Bank of Places" after the accommodation process ends.
24. The final decision is made by the Head of the Halls of Residence when considering appeals.

25. Those who are allocated places in halls of residence will have to pay a guarantee fee of 500 PLN to the account number indicated in the referral.
26. Guarantee fees of a minimum of 500 PLN must be credited before the deadlines specified in the schedule of the campaign. To those who are allocated places through the appeals procedure, the individual deadline set by the appeals committee applies.
27. Not paying the guarantee fee in the required amount and deadline is equivalent to resignation from the assigned place.
28. In the case of a guarantee fee of more than the fixed 500 PLN, the overpayment will be credited to the first months accommodation fees.
29. In case of resignation after payment of the guarantee fee, the fee is non-refundable.
30. Certificates for allocation of accommodation will be issued only after payment of the guarantee fee.
31. In case of a change in status (student/non-student) after a place has been allocated or during the accommodation period, the guarantee fee must be adjusted to the rate applicable to the current status.
